

Philips Walita  
Toaster

**2 slot**

2 function Metal curve

RI2628/21

## Enjoy great toast

Thick or thin, always golden brown

Toaster with variable width bread slots for great toast. Evenly golden brown, thick or thin. Convenient due to the defrost and reheat functions. Safe to use thanks to the high lift feature, cancel button and cool wall exterior.

### **The way you want it**

- Adjustable browning control
- Variable width self-centered slots for evenly toasted bread

### **Easy to experience**

- Defrost or reheat just toasted bread in one go
- Removable crumb tray for easy cleaning

### **With maximum safety**

- Automatic safety shut-off in event of jammed bread
- High lift feature to safely take out smaller pieces
- Cancel button to stop toasting at any time
- The outside of the toaster stays cool and safe to touch

**PHILIPS**  
**WALITA**

sense and simplicity
